These terms and conditions, together with your E-ZPass application ("Application"), constitute your E-ZPass Agreement ("Agreement"). E-ZPass is an electronic toll collection system that allows you to pay charges incurred at E-ZPass facilities. New York E-ZPass is operated under the auspices of the Triborough Bridge and Tunnel Authority ("TBTA") (also known as MTA Bridges and Tunnels), the New York State Thruway Authority ("NYSTA"), and the Port Authority of New York and New Jersey ("PANYNJ") separately referred to herein as an agency and collectively referred to as agencies. Your E-ZPass Account ("Account") will be operable on all E-ZPass facilities, regardless of location, and accessible to all agencies. Your Account will be assigned to one of the abovementioned agencies, and your Agreement is with that particular agency. Your Agreement may be reassigned to another agency at any time. Identification of the agency to which your Account has been assigned and with which you have your Agreement appears on your E-ZPass Tag(s) ("Tag"). Please read these terms and conditions and keep them for your records. When you open your Account or use your E-ZPass Tag, you agree to the following terms and conditions:

## 1) GENERAL

a. Failure to comply with this Agreement may result in termination of your Account.
b. You may not assign the obligations or benefits of this Agreement.
c. Failure to pay charges to your Account may result in penalties as provided by law.
d. You must approach and pass through E-ZPass lanes at the posted speed limit. Failure to obey the posted speed limit may result in suspension or revocation of your Tag.

a. You may use the Tag on the vehicle(s) specifically listed on your Application.
b. You may only use the Tag on a vehicle class that corresponds to the class of Tag provided to you by E-ZPass.
c. In accordance with Section 5 herein, you must surrender a Tag immediately upon request.

When you use the Tag at any E-ZPass facility, you authorize E-ZPass to debit your Account for the charges incurred.
d. If you use the Tag on E-ZPass facilities other than New York E-ZPass facilities, you are subject to the laws and regulations governing use at such facilities.
e. You must maintain a sufficient balance in your pre-payment Account, and may not use the Tag or permit Tag use unless a sufficient balance is maintained.
f. You must properly install your Tag in or on your vehicle pursuant to the mounting instructions provided with your Tag(s). Failure to do so may result in your Tag not being read in the lane, the gate not being raised at some facilities, and may result in a violation for which you may be assessed administrative fees or other penalties as provided by law. Failure to properly mount your Tag may also result in images being taken of your license plate to identify the registered owner and the addition of your license plate to your Account based on motor vehicle registration records. These images may be used to post toll charges at the cash rate and/or additional administrative fees to your Account.

## 3) YOUR ACCOUNT

a. You must maintain a prepaid amount in your pre-payment Account to cover applicable charges to your Account
b. Applicable charges, if any, will be deducted from your Account each time the Tag is used.

e. Your Account may be suspended upon outstanding violations and/or for failure to pay administrative fees.
f. No interest will be paid on balances in your Account.

k. E-ZPass, in its discretion, may receive updated information about your address from the United States Postal Service.

## 4) ACCOUNT PRE-PAYMENT

a. You must pay a minimum prepaid amount sufficient to pay charges to your Account for a one-month period.
b. Your Account must be replenished by your prepaid amount when your Account balance decreases to or below the replenishment point specific to your Account. The date on which your Account will be replenished will vary based upon Account activity. You may choose to replenish your Account in one of the following ways:

d. If you have chosen to replenish your Account with a credit card, you will be enrolled in the E-ZPass Plus program. This Program allows you to use your Tag at authorized E-ZPass Plus facilities. If your Tag is used to incur E-ZPass Plus charges, then E-ZPass may charge your credit card that amount. Such credit card charges may be different from your replenishment amount and charged to your credit card at any time. By participating in E-ZPass Plus you consent to the release of your name and address to E-ZPass Plus facility operators for collection purposes. If you choose to participate in E-ZPass Plus, you must notify the E-ZPass customer Service Center.
